Hello Everyone,

Each year, the Natural Resources Council of Maine hosts the People's Choice Awards to recognize people/groups that are working towards a better environment. We have just learned that the Climate Action Club is a finalist for this year's award.

Now we need YOUR help to win. The award is determined by a public vote. We have between now and September 18 to spread the word and gather votes for the CAC.

Why is this important? Because it displays the power of youth activism and the vital role we can play in changing our schools, communities, and the world. It also spreads the message of First Here, Then Everywhere: no student, school, or community is too small to have an impact and see the benefits of their work spread across the state and nation.

So, here's how you vote:

- 1) Go to  
[https://secure2.convio.net/nrcm/site/SSurvey?SURVEY\\_ID=1900&ACTION\\_REQUIRED=URI\\_ACTION\\_USER\\_REQUESTS](https://secure2.convio.net/nrcm/site/SSurvey?SURVEY_ID=1900&ACTION_REQUIRED=URI_ACTION_USER_REQUESTS)
- 2) On the left-hand side in the 'Member Login' Box, click REGISTER
- 3) Register
- 4) Go back to the first URL (Reclick on above link)
- 5) Vote for Chloe Maxmin and the CAC
- 6) **PASS ON THE WORD TO EVERYONE YOU KNOW!!!** Please forward this email to your distribution lists. Let's mobilize the biggest vote NRCM has ever seen.

We're counting on you to reach out and network! It takes 1 minute, and you only have to vote once.

Thanks!

Chloe and the Climate Action Club
